

Food Quality and Safety Policy

It is the policy of Compañía Bernal S.A. that our products comply with quality, safety and animal welfare standards, fully assuming this responsibility before our customers. For this, we have a Quality and Food Safety Management System in accordance with the BRCGS World Standard for Food Safety.

It is our commitment:

- To implement continuous improvements focused on achieving the greatest satisfaction of our customers.
- To promote the development and continuous improvement of the culture of food quality and safety.
- To manufacture safe, legal, authentic, sustainable food and in conformity to the specified quality.
- To comply with the objectives of quality and food safety.
- To work developing activities that are distinguished by their quality, improving for the benefit of our clients and our own sustainability.

The Management is committed to providing the necessary resources and support for compliance with this policy.
